Solana Beach School District Dives into Discovery Fest 2023!

*Solana Beach School District, in partnership with the Solana Beach Schools Foundation, welcomes you to the 4th annual Discovery Fest, exploring **The Power of Water!***

An Adventure Awaits! - Solana Beach School District (SBSD), in partnership with the Solana Beach Schools Foundation (SBSF), invites you to the 4th annual Discovery Fest! Discovery Fest is a free event for all and presents another opportunity for SBSD students to apply their knowledge of STREAM (Science, Technology, Research, Engineering, Arts, and Mathematics) skills, gained through Discovery Labs. Students, staff, and community members will enjoy a day full of experimentation, exploration, collaboration, and creativity, as they splash between STREAM themes relating to ***The Power of Water.***

The Power of Water explores the wonders of this vital resource and how it plays an integral role in our daily lives. Curious minds of all ages are invited to join the free festivities. SBSD and SBSF have been working collaboratively to ensure that students, families, SBSD staff, and community members enjoy an action-packed Discovery Fest day. In addition to continuing our focus on STREAM, ***The Power of Water*** will also infuse visual arts, music, physical education, engineering competitions, and public speaking! Attendees of the event will participate in educational projects, listen to TED Talk-style presentations by SBSD students, engage in hands-on activities, and enjoy live entertainment. Refreshments and food will be offered for purchase by local San Diego food trucks.

Join us, from 10:30 a.m. to 1:30 p.m., Saturday May 6, 2023, on the field at Solana Pacific School, 3901 Townsgate Drive, San Diego, CA 92130. See you there!

Thank you to our sponsors: Ting, Sante Fe Irrigation District, San Diego County Credit Union (SDCCU), Orangetheory Solana Beach, Nicole Banks (Coldwell Banker Realty), Mission Pest Control, Huntington Learning Center of Del Mar, HMC Architects, Coastal Kids Dentistry & Orthodontics, and Club Pilates.

About the Solana Beach Schools Foundation

The Solana Beach Schools Foundation (SBSF) is a non-profit organization that raises funds for Discovery Lab classes that provide students regular experiences with hands-on, inquiry-based learning opportunities. SBSF Discovery Labs offer students enriching supplemental experiences, preparing them for college and careers.

ABOUT THE SOLANA BEACH SCHOOL DISTRICT

The Solana Beach School District, nestled on the north coast of San Diego County, serves approximately 2,800 students. Instruction is rich, varied and innovative. Our emphasis is on core standards instruction provided through a continuous progressive curriculum. District schools consistently rank at or near the top in district, county and state accountability measures. Our students and schools have received numerous awards and have been recognized at county, state and national levels for a variety of accomplishments. Working together, our mission focuses on providing a safe space where learners find their voice, share their gifts, and advance the world. Unified is our district, centered on inspiring wonder and discovery in learning and life.
